

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

### LIBRARY CONTRIBUTIONS TO THE PRESS

The Secretary of the A. L. A. desires to give more publicity to the work of that organization and to library affairs in general. There are frequent happenings in the American Library Association and in library work which are of decided interest, not only to library workers, but to the general public. News of library meetings, interesting conclusions reached as to various phases of library work, reports of A. L. A. Committees, etc. should be given publicity, and to do this, the Secretary of the A. L. A. wishes the names and addresses of those who contribute library news to the daily press and to periodicals other than the library journals. So far as may be done, the Secretary will send advance copies of reports and other items of library news to these contributors.

### COMMITTEE REPORTS

#### Bookbuying

Mention should have been made in connection with the report written by W. P. Cutter which appeared in vol. 4, no. 2 of the A. L. A. Bulletin, that it had been adopted by the Bookbuying Committee. The following note with reference to Everyman's Library should have been appended:

Everyman's Library of which four hundred volumes have been published, in England by Dent and in this country by E. P. Dutton & Co., is now published in special library bindings, Bancroft cloths being used, the specifications for the binding being carefully made in accordance with the recommendations of our Bookbinding Committee. These books are sold in this binding at 35c per volume, and it is announced that a leather edition well made, will be placed on the market at 60c per volume. It is recommended that libraries that find it necessary to economize in the purchase of standard books, look carefully into the desirability of providing themselves with these books. It must
